PHARMACISTS BEYOND BORDERS INITIATIVE EVENT AT THE FUSION FAIR
 COURTESY OF HALIMA MAMMAN-DAURA COUNTRY DIRECTOR, PBB TRUSTEE, PBB I

Purpose of Activity

- To interact with and enlighten the public on the intrinsic roles of pharmacists as invaluable healthcare professionals
- To educate the public on a range of public health topics
- To offer basic clinical services
- To encourage others to use safe and hygienic practices to promote good health
- To start gathering data to guide future exercises

Activity Report

The operation commenced at 12:00 PM following an official declaration of the event's opening by the organisers and the services rendered.

“The event gave us an opportunity to interact with individuals who were not necessarily seeking healthcare at the point of contact. They came to the event actually seeking leisure and some retail therapy. Despite that, the crowd was receptive and attendees that came to our stand were generally willing to have their blood pressure checked, their weights measured and also willingly gave us more of their demographic information for our data pool.”

LATEST NEWS

PBB helps to fund a girl to participate in HOSA competition

Saeeda, a 10th grade student from Georgia, had hopes to attend the national competition for HOSA (Health Occupations Students of America). HOSA is an international organization that works to develop leadership and technical HOSA skill competencies through a program of motivation, awareness and recognition.

When the situation was brought to the CEO, Mardhia Dayisi, she was more than happy to help

fund the young woman to be able to compete in the competition. After all, the children are the future. In total, PBB volunteers and friends donated \$465 towards her, excluding any anonymous donors.

PBB gives a donation to RELAY FOR LIFE®

Relay for Life is a community-based fundraising event for the American Cancer Society. One of those big events takes place in the small town of Peoria, Illinois, the previous base of Pharmacists Beyond Borders. When an old acquaintance had asked for a small donation for the cause, there was no hesitation.
